## **NEWSLETTER**

Dear Parents

Only three days back after the half term holiday and everybody is already busy with the activities of the final term. The rain this morning did halt the Sponsored Scramble – although we hope some of the older children are able to complete the event this afternoon. I hope the sun is back shining tomorrow and we can involve the rest of the children.

Next week, the first group of Year 6 children will be off to Pixies Holt for their residential trip. Again, we hope that the weather is good as they go out and about on Dartmoor.

### **SCHOOL PV PANELS**

Next week, following a recall of BP solar products, the panels on the hall roof are going to be replaced with new ones. There will be scaffolding around the school hall throughout the week and work will take place on two or three days. There will be restricted access along the footpath and to the school entrance. However, this work should not affect the use of the hall and will not mean any closure.

### **YEAR 3 / 4 SATS**

Children in Years 3 and 4 will be sitting this year's optional SATs during the week commencing Monday 16<sup>th</sup> June. We would like to ask parents not to keep children off school during this week if it can be avoided. It is difficult for the children to complete the tests they have missed on their own, rather than within their normal lessons.

### **THANK YOU!**

On behalf of all the children and staff I would like to thank the PTA for the new playground shed. It will store the new PE equipment and the 'Active Playtime' boxes, making it all safer and easier to access. Thank you also to the team of builders who have put it together for us.

Miss Sealy

### **PIANO**

If anyone is interested in owning an upright piano, could they please contact the school

office. We have been offered a piano, free of charge, to a good home!

### **MISSING SPOONS**

We would appreciate it if children who bring yoghurt to school in their lunch boxes could also bring in their own spoon to use. Children have been using spoons provided by the Kitchen and not returning them. Please could parents check to see if their children have inadvertently taken home a spoon that does not belong to them. It appears that about 20 spoons are missing!

Yours sincerely

Alan Simpson  
Headteacher
